

QUALITY POLICY

The continuing policy of SDH Global Source Ltd (hereinafter referred to as 'the Company') is to provide a professional and efficient service to meet all of the agreed requirements of our customers. This achievement will result in securing efficiency and the enhancement of long-term profitability.

The Management Team bears the responsibility for establishing, maintaining and implementing the system for controlling those particular activities for which they are responsible. We undertake to ensure through instruction, practical example and training that quality is the aim of all members of the Company and that each employee has a proper understanding of the importance of the quality system function and its direct relevance to the success of the Company.

Equally every employee is responsible for, and will be trained to perform the duties required by his or her specific role. Further the Company will ensure that any sub-contractors employed for a particular function will meet specified requirements and will accept the responsibility for their work.

The company has a policy of continual improvement in line with the conditions laid down in BS EN ISO 9001:2000.

We hereby certify that this Quality Assurance Manual and this Standard Operating Procedures Manual accurately describes the Quality System in use within the Company to meet the requirements of BS EN ISO 9001:2000.

The Quality System will be monitored regularly under the Managing Director's ultimate responsibility with regular reporting of the status and effectiveness at all levels.
